Thanksgiving Baskets

It is that time of the year again to start thinking about providing a special gift. I know that October isn't over yet but we need to not only be focused on this month's activities but also preparations for those activities next month. Every year we provide Thanksgiving baskets for some of the folks who come to our building regularly for help with food. I'm glad that we provide some food to those in need in our neighborhood. I'm also glad that you have been generous in wanting to help them during this special holiday in our country.

I think one of the ways we can show our thanksgiving to our Father for the blessings He provides for us is to help those in need around us. Such actions demonstrate that we see our blessings as belonging to our Father and not us. When we give we take on the attitude of a steward. A steward is someone who takes care of the property of another. A steward is expected to use that property in accordance with the will of the one who owns it. Our Father has provided us with His blessings and expects us to share with others when we have opportunity. So we pass them on to others.

Be sure to check out the signup sheets on one of the bulletin boards in the hallway for what is needed for the baskets. I know that you will be as generous this year has you have in years past. We will find a good time before Thanksgiving to meet in order to assemble the baskets and then deliver them. It will not take long to assemble or deliver. So be generous in giving the food necessary for the baskets and some time to deliver them. May the Lord bless you.

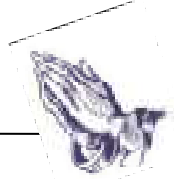

-Bob-
